Erin,

Thanks for letting me know and that will work. Please feel free to send me some dates and I'll see what I can do on my end.

Subject: Rescheduling of August 4th Meeting

Doug –

Can we reschedule our August 4th meeting for September? There are a couple of reasons why we need to do this. First, schedules on our end have changed a little bit such that everyone won't be able to be there and; second, we think it will be a more productive meeting once we've submitted the annual report, which we plan to do in the next few weeks.

I'll get back to you shortly about dates in September, but just wanted to give you a heads-up that I would be canceling the August 4th meeting.

Thanks,
